

Head of Communications/Spokesperson at the Global Solutions Initiative Foundation gGmbH

The Global Solutions Initiative Foundation (GSI) is currently looking for a **Head of Communications (d/f/m)**.

Form of Employment: Full time

Starting Date: as soon as possible

Duration: Limited until 31/12/2025

Location: Berlin, Germany

Responsibilities:

- Spokesperson of the GSI in close collaboration with the organization's Executive Team, the fundraising team and our outreach team
- Actively steer the overall reputation and visibility of the GSI especially within the global media landscape and identify opportunities to reach new and existing audiences
- Maintain and extend the network of media relationships with a focus on tier-1 international media outlets
- Plan, organize and carry out interviews, background discussions and press briefings
- Oversee the overall communication activities of the GSI, including social media channels, websites and launches of key publications
- Create impactful content for media, print and website, including press releases, web features, opinion pieces, publications, blog posts, podcasts, marketing material

Qualifications:

- Master's degree in communications, political science, journalism, international affairs or other relevant fields
- 5+ years professional experience in communications or journalism, preferably in an international policy environment
- Excellent knowledge of and network within the German and international media landscape
- Proven track record in executing successful media campaigns
- Experience in planning, executing and monitoring digital communication activities
- Excellent communications skills in both German and English (to native speaker standard)
- Experience in research communication is an asset
- Strong networker and relationship-builder
- Ability to work as part of a team and high level of personal initiative
- Interest in the G20 process, multilateralism and global economic developments
- Strong attachment to the values and aspirations of the GSI
- IT skills, i.e. Microsoft Outlook, Word, Excel and PowerPoint

About the GSI:

The Global Solutions Initiative (GSI) is an independent, non-profit organization. Founded in 2017, GSI established itself as a guiding force in global policy through its advice for international fora like the G20 and G7. With a comprehensive program of research, outreach, and advisory activities, the GSI brings together policy, academia, civil society, and the private sector. The annual agenda culminates in the Global Solutions Summit, a high-level gathering of leaders, pioneers, and thinkers. The Berlin-based GSI is guided by the vision of its leaders Dennis J. Snower, Markus Engels, and Christian Kastrop. It strives to recouple economic progress with social and environmental prosperity to improve global governance and the everyday lives of people around the world.
